

Chocolate Maple Milkshake

If we are being honest with ourselves...we've been known to eat waffles and pancakes simply because they are just made for that delightful pure maple syrup. No Longer!! This thick and amazingly delicious Chocolate Maple Syrup Milkshake delivers big on pure maple syrup flavor...and we can enjoy it with our favorite breakfast food!

Total Time: 5 Minutes Prep Time: 5 Minutes Cook Time: 0 Minutes Serving Size: 2

INGREDIENTS

- 8 Cups Vanilla Ice Cream
- 1/2 Cup Pure Maple Syrup
- 1/2 Cup Chocolate Whole Milk
- 1 Teaspoon Vanilla Extract

DIRECTIONS

- 1 - Combine all the ingredients in a blender.
- 2 - Blend until smooth.
- 3 - Pour into your favorite milkshake glass or mug.
- 4 - Garnish with a mini waffle on the rim.
- 5 - Enjoy for breakfast or any other time of the day!

We like to chill our glasses or mugs before serving as they will keep your milkshake thicker longer. Also you will want to have plenty of mini waffles on the side as they make for excellent dipping...and the waffle holes will hold plenty of that delicious milkshake!

September 12th is National Chocolate Milkshake Day
